Sustainable Prevention,  
Innovation and Involvement  
for Dementia

*"If you're looking at the world through the prism of dementia, either as a carer or a person with a diagnosis, Your insights and opinions are invaluable and will help Spin-D make the world a better place for the dementia community." Peter*

**"It's important to share your journey"  
Christine**

**"Your voice matters!" Gill**

***“Dementia doesn’t discriminate against class,  
colour, religion or ethnicity” Bettina***

**“Research is catnip to my brain; I need it, I want it.  
I get withdrawal symptoms without it” Martin**
